Dreaming God's Dreams

Speaking of Gods in Figure and Narrative

The Origin of the Gods

Hearing the voice of God is not as difficult as some might think. It may even happen without our realization. As God has spoken throughout the ages, He continues to speak today in many different ways, including through an impression in a person's spirit or through a passage of Scripture or via a prophetic dream. Since we were created to commune with God, He longs for us to draw near to Him so that we can know His heart and understand His will for our lives.

Gods, Dreams & Love

Third Millenium God-talk

This innovative study posits that myths in general, and Greek theogonic myth in particular, have a latent meaning that is responsible both for the emotional energy inherent in myths, and for the special attraction they have even to those who no longer believe in their literal meaning. Caldwell describes, in clear and comprehensible language, aspects of psychoanalytic theory relevant to the understanding of Greek myth, implementing a psychoanalytic methodology to interpret the Greek myth of origin and succession, particularly as stated in Hesiod's Theogony. In reassessing this work, which tells the story of the world's beginning from unbounded Chaos to the defeat of the Titans, Caldwell addresses several unexplained problems—why does the world begin with the spontaneous emergence of four uncaused entities, and why in this particular order? Why does Ouranos prevent his children from being born by confining them in their mother's body? Why is Ouranos castrated by his son, and why is Aphrodite born from the severed genitals? Why is it always the youngest son who overthrows his father, the sky-god, and what is the logic of the steps taken by Zeus to prevent the same thing happening to him? Presenting a new definition and analyses of the psychological functions in myth, this new study should appeal to a wide range of classicists, teachers and students of mythology, and those interested in the application of psychoanalytic methods to literature.

The Meaning and Significance of Dreams

Human beings have many differences: we speak different languages; have different customs and think in different ways. Yet we are all God's children, and God dreams that, like any family, we will learn to love each other and to live in peace together.

Waking to God's Dream

Bible stories are the dreams and plans of God for mankind. The God Had a Dream series of books, which are based on Bible stories, have been written and illustrated to excite and encourage every child to want to know Gods dream and plan for their own life, to want to say yes to Gods dream and plan, and to want to grow up living and fulfilling the life just as God dreamed and planned for them. God is so delighted when we learn to obey, obey now, and obey willingly because then he can do great things even in the lives of his children.

"The History of the Fleet Street House": 20 p. at the end of v. 18.

Dream Talk

The Holy Bible, Containing the Old and New Testaments: Translated Out of the Original Tongues: and with the Former Translations Diligently Compared and Revised

The Cyclopaedia of Biblical Literature

When you think of being chosen, does your mind go back to recess days on that schoolyard playground long ago, when Teacher asked the two biggest boys in the class to choose up teams? Remember how the rest of you lined up, dutifully waiting for your name to be called? And remember how you stood there, nervously holding your breath, shifting your weight from one sneaker to the other, hoping against hope that this time you'd be chosen? Good news. You have been chosen! Maybe not for the starting lineup on your school's basketball team or for the next promotion at work. But your calling is much more extraordinary For "you are a chosen people, . . . a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light" (1 Peter 2:9, NIV). Who is this God who has chosen you? Why have you been chosen? And how are the chosen to live? Join Dwight K. Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land

God Had a Dream Josiah

Speaking of Gods in Figure and Narrative analyzes the figurative-narrative creation of gods, their heavenly abodes, and behaviors, reaching back to the beginning of history in Sumer, Babylon, Egypt, Persia, and Greece, and continuing through a biblical tradition that includes the Hebrew Bible, the New Testament, and the Qur'an. Each culture leaves its linguistic residue for the next to incorporate into its sacred texts, resulting in the perpetuation and validation of ancient imagining, attitudes, and ideas.

Dream Big

God has a purpose and plan for every child. The "God had a Dream" series tells of young people in the Bible that followed God's plan for them, even while they were young. Josiah was only Eight when he became king, and only eighteen when he became a mighty leader to bring God's people back to true worship. God had a dream and a plan for Josiah. God has a dream and a plan for every child.

Dreams and Dream Narratives in the Biblical World

Many people do not take their dreams seriously. But what if dreams mean something? What if they are important? What if God is speaking to people while they sleep? In Dream Talk, Katrina Wilson explains that God speaks to us in the quiet of the night, when we are more open to His voice. While we dream, we can work through the issues of the day and receive help from the One who never sleeps. We can actually learn life lessons in our dreams.

The Holy Bible Containing the Old and New Testaments

Engages the question of how dismantling racism now has to be different from the work of the past and offer ways for that journey to progress.

Zaphnath-Paaneah

The demands of congregational ministry are many, the rewards sometimes seem few, and burnout becomes a
real possibility. Small wonder, then, that churches become stuck in a state of arrested spiritual development. When the pastor is functioning in a survival or maintenance mode, the church's vitality is often the first casualty. Yet Wills's own experience demonstrates that churches can turn around; the wind of the Spirit can be felt anew. This happens when the congregation is infected by the vision of what God is doing in their midst—a vision which the leaders, particularly the pastor, must bring before them. In Waking to God's Dream, Richard Wills shares the spiritual disciplines and insights which he believes account for the transformation of the congregation he serves from a large church in decline to one that is growing and reaching out to its community in a variety of creative ministries. Detailing the steps and initiatives that led to this turnaround, Wills demonstrates how personal commitment on the part of the congregation's leaders and ministers have been the key to the work they have accomplished.

Studies on the Dream in Greek Literature

Are you living the life you always dreamed of? This 30-day devotional is your tool to discover God's big dream for your life. Be inspired by scripture, stories, and practical advice about how to live the abundant life God has for you. Ephesians 3:20 says that God is able to do immeasurably more than all we can ask or imagine. But how? Dream Big will guide you through what God's word says about: - God's dream for the world. - Jesus' dream for the church. - God's unique dream for you. - Practical steps to live out your big dream. By the end of this 30-day journey, you will have a clear picture of God's good plan for your life, and tools to live your big dreams! "Heather is an anointed Truth teller and her writing draws me into a deeper relationship with God every time May this book cause you to be still, hear the greatness of His love for you, and dare to 'dream big' with Him." Amanda Falk, Christian Recording Artist "Why settle for a small life? In Dream Big, Heather Boersma challenges us to hold on to God's dreams for our lives -and to really live! Rooted in Scripture, by the end of the 30 days you'll know more about God, about yourself, and about your calling, and you'll be ready to fly!" Sheila Wray Gregoire, author and speaker About the Author: Heather Boersma is a Canadian Christian speaker, writer, and teacher. Her writing has been published in SUSIE magazine and she posts daily insights on her blog, Dreaming Big (www.heatherboersma.com/blog). Heather lives in Winnipeg, Manitoba, with her husband Alex, their son Cohen and their crazy dog Bailey.

A Dictionary of the Bible: A-Feasts

"Dream Encounters" Seeing Your Destiny from God's Perspective, is the "Rosetta Stone" to interpreting the illusive vapors of dreams. Uniquely inspired, and written to convince the greatest skeptics, and educate the most ardent believer, "Dream Encounters" will bring God's perspective, and understanding to the symbolic, visual, love letters, in the mysterious world of dreams. Take a journey into the sub-conscious night parables of the soul, to learn how dream truths impact your world; give direction, purpose, and destiny. Gain valuable keys to success by unlocking the mysteries of your dreams.

Does the thought of doing evangelism fill you with fear and make you want to run for the door? Do you struggle to find motivation to share your faith? Have you had uncomfortable experiences with evangelism that you would rather not repeat? If so, this book is for you. God’s Dream will take you on a journey to discover the purpose God has for you in fulfilling his dream. It will inspire you to try evangelism again no matter what your previous experiences have been. “This is the best book I have read on evangelism in the past ten years.” Derrick, YWAM Missionary. “For many, God’s Dream will redeem the concept and practice of evangelism. It is practical and theologically thorough.” David Webster, MA, Eastgate Church Director. Today, more people are becoming Christians than at any other point in history, but in modern western culture, relatively fewer people come to know God and many Christians struggle with evangelism. Through their personal stories and those of others, Mark and Fiona question why this is. They look afresh at evangelism and reimage it from God’s perspective. They consider what can be learnt from how Jesus did evangelism, and how he introduced people to the good news of the kingdom. Visit www.godsdream.org.uk to find out more about the authors.

Living Into God's Dream

The world tells us that the way to make all our dreams come true is to set our own course and strive every day. But when it's all on us, we end up feeling exhausted, frustrated, and, disappointed when things don't turn out as we'd hoped. Have you ever wondered if there was a better way? There is. God knows the desires of your heart—he put them there. And he calls us to trust, to lean on him, and sometimes . . . to wait. Weaving together her unique perspective as a professional ballerina with profound truths drawn from Scripture and the life of faith, Sarah Beth Marr reminds us that we are not dreaming alone. If God has given us a dream, we can be sure that he will come alongside us as we work toward realizing it. Using her own story as a catalyst, Marr encourages women to surrender their plans to God, to stay in tempo with his Spirit, and to step into a deeper relationship with Christ. When they do, she says, they will be able to move confidently into the future, knowing that their dreams and God's desires are aligned in perfect harmony.
The Reasoner

'And it shall come to pass in the last days, says God, that I will pour out of My Spirit on all flesh; your sons and your daughters shall prophesy, your young men shall see visions, your old men shall dream dreams - Acts 2:17'' As the Holy Spirit is pour
e
The Bible; is it "the Word of God?"

This study of dream accounts in the Bible and in ancient Near Eastern literature suggests two main lines of interpretation: on the one hand it defines the function of dream accounts from a literary, social, political and religious point of view on the basis of literary genre (practitioners' manuals, royal inscriptions, prophetic texts, etc.). On the other hand, in adopting a rather larger typology than is usual (message dreams, symbolic dreams, but also prophetic, premonitory and judgment dreams), it seeks to clarify both the relationship between the fiction implied by the literary form and the actual dream experience of individuals, as well as the different ritual practices related to this experience (interpretation, conjuration, incubation, etc.).

The Kingdom of God and the American Dream

The Chosen

These collected essays by the distinguished psychoanalyst Marie-Louise von Franz offer fascinating insights into the study of dreams, not only psychologically, but also from historical, religious, and philosophical points of view. In the first two chapters, the author offers general explanations of the nature of dreams and their use in analysis. She examines how dreams can be used in the development of self-knowledge and describes how C. G. Jung worked with his own dreams, and the fateful ways in which they were entwined with the course of his life. The rest of the book records and interprets dreams of historical personages: Socrates, Descartes, Themistocles and Hannibal, and the mothers of Saint Augustine, Saint Bernard of Clairvaux, and Saint Dominic. Connections are revealed between the personal and family histories of the dreamers and individual and collective mores of their times. "Dreams" includes writings long out of print or never before available in English translation.

When God Speaks

The Interpretation of Dreams

Even Dead Gods Dream

"And it shall be in the last days, saith God, I will pour forth of my Spirit upon all flesh: And your sons and your daughters shall prophesy, And your young men shall see visions, And your old men shall dream dreams: " (Acts 2:17, ASV).There has never been a greater time for God's people to put aside their petty religious insanities and "wake up" to hear "His" voice; whether it comes in the explosive eruption of a volcano, a clap of thunder, or a whisper in your ear in the stillness of the night. Inside the cover of this book are essential ingredients to hear His voice in the quiet of the night. The WORD says: "and the sheep follow him: for they know his voice" (John 10:4, ASV).Do you know His voice? Perhaps it's time we take the principles found within this book and learn to recognize all the ways that "He" can, and is speaking to us. Pastor Joseph Landreth "Follow Me, and I will make you become fishers of men." (Mark 1:17, NKJV)

Dreams

What does the Bible say about dreams? Does God actually speak to us through them? How can they become a source of spiritual insight into life? Morton T. Kelsey, well-known for his writings that connect psychology and religion, puts the meaning of dreams into perspective and helps the reader discover again the richness of the Christian tradition. In this revised and expanded edition, he summarizes new findings in dream research and provides an updated bibliography. A substantial appendix of additional material and an index give further assistance to readers. In his overview of the history of the interpretation of dreams, the author traces the development of Judeo-Christian attitudes about dreams from Old and New Testament times, through the

Studies of the Dream as a Technical Device in Latin Epic and Drama

Bob Daniels, reeling from the tragic death of his fiancée, Gloria Hopkins, takes sanctuary in his lake house. All he wants is to be left alone to take part in the only thing that now holds any meaning in his life, to make contact with Gloria's spirit. This fruitless venture is interrupted, when Frank Worsly, leader of the secret society, the Fraternity, of which Bob is still a member, pays him an unexpected visit. The Fraternity is facing an existential threat from the well-shielded and powerful Cyprus Group and Frank wants Bob to organize the assassination of everyone in the group to prevent them from murdering Fraternity members. But Bob wants no part of the deadly scheme.

Dream Encounters

"All dreams end when the dreamer awakens. Every last one, with no exceptions." In the far future of the twenty-second century, a nameless garbage collector dreams of a better world and a better life for himself. Escaping into the online realm of DRAGONKIN was his solution, his escape from the bleak reality of life on the modern Earth. But all things end, and on the day that his beloved game finally came to a close, this nameless man found himself in a world far more real than any game. Trapped on Altzia in the body of his game avatar, our protagonist has no choice but to become the character he played or be hunted down as the beast he has become. Can he live up to the legend of his own making? Can one man prove that he's more than just another number in the system? Or will he fail, die and achieve nothing, just like everyone always told him he would? Explore the greatness and horror of this new world. See for yourself if a single man can rise above his birth or if he will fall into the depths of despair and madness.
